Professor Joshua Lederberg  
Department of Genetics

Dear Professor Lederberg:

The Research Committee, at its recent meeting, approved \$100 for an honorarium for Professor A. J. Kluyver of Delft to give a lecture on the campus late in April or early in May. When the exact date has been set, please let this office know so that the check will be available for Professor Kluyver at the time he is in Madison.

Very sincerely yours,

C. A. Elvehjem  
Dean
